*Assessing Your Project Completion Needs*

Now that you have booked your first design session or set of deliverables, think about how much of your project you really want to tackle on your own in order to complete it.

1 | List the tasks that you will have to complete after Robyn Studios has given you the items in your package:

2 | Think realistically about the time you have to complete these and decide if you would like Robyn Studios to assist you with any of these services:

Code & Permitting Research

Contractor Request for Quote Package

Further Scope Development

Sourcing Furniture Assembly & Picture Hanging service providers

Sourcing Inspectors & Engineers

Work in Additional Spaces
